

SUPREME SUPPER

● Supreme Court Justice **Samuel Alito** will speak at the Brooklyn Bar Association in front of 250 lawyers and judges at the invitation of the organization's President **Arthur Aidala** on Wednesday — then it's chow time. We're told that after his speech, legal eagle Aidala will take Justice Alito to L&B Spumoni Gardens for an Italian feast, where no doubt, they'll reminisce about meals gone by with their late friend and Supreme colleague Antonin Scalia.
