**VOICE OF THE PEOPLE****Penalty call on  
Lawrence Taylor**

**B**reezy Point: So, 51-year-old Lawrence Taylor said that he didn't think the girl in the hotel room with him was only 16. If she looked like she was 20 years old, it makes a difference legally, but what about morally? What a disgrace.

*John Carberry*

**Brooklyn:** Congratulations, Lawrence Taylor, on your induction into the Hall of Shame!

*Steve Yanowsky*

**Staten Island:** I'm setting my DVR for the new show with Lawrence Taylor. The show is called "Dancing with the Guards."
